Piano Suggestions

You are free to choose your own selections. The choice of an appropriate selection is an important factor in the judging. The following lists are provided as guidelines only and were compiled from suggestions received from the music departments of the colleges participating in TFC. The listing will give you a good idea of the type of music acceptable for TFC competition.

Please note that *not all the numbers listed are of equal difficulty*. Judges will consider the difficulty of a piece on the adjudication sheet. Consult your local music dealer or school music department for assistance.
